## **BEHAVIOR REQUIREMENTS**

It is unfortunate that it is necessary to advise people of proper behavior on international mission trips. These guidelines will apply to each team member. (American and International) If the information listed below is not upheld, then the person(s) will not be able to travel with Len Ministries.

1. Everyone will be in their respective rooms by 11:00pm. Lights should be out by midnight and your roommate's needs should be respected.
2. Team members will leave their rooms for team breakfast each morning.
3. **Noone** will be allowed to leave the Hotel.
4. Male and Female team members will not be allowed to fellowship together in rooms.
5. Traveling in mixed company seated side-by-side will not be allowed.

Len, Marcia, or the designated leader are the only ones that can give exceptions to the above, other than for emergencies.

Blatant disobedience will be rewarded with a minimum of non-traveling with LMI for 18 months, or a maximum of immediate self-paid return to their home city.

We trust that you know the heart of this ministry and how difficult it is to impose such rules. Each adult should rule over his/her own flesh in a Godly manner. The purpose of these rules is to discourage inappropriate behavior. Remember that the Father disciplines those whom He loves.

I will comply with these rules:
