

Immunizations

1) Check the immunizations/vaccines recommended for the specific nation you are planning on visiting at the Center for Disease Control:

<http://wwwn.cdc.gov/travel/destinationList.aspx>

2) Contact your County Health Department, or
University of Florida, Department of Medicine, Travel Clinic
Located at 1833 Boulevard, #500, Jacksonville, FL 32206
Rebecca Senko @ (904) 253-1259.

Or, St. Johns Co. Passport Help @ (904) 824-0577.

3) You may require several visits to determine what shots you need, and to acquire those shots.

4) This is not a free service.

5) Carry your completed shot record with your passport at all times of travel.

6) Prior to departure, recheck CDC site for recent updates.
