## Russian Preparation

Len Ministries is preparing for a short-term mission trip to Russia June 16 to July 2, 2005. An Evangelism Explosion (EE) Clinic will be conducted for the national pastors in the city of Nizhny Novgorod.

Typically, Pastor Len Showalter works with the previously trained team in The Light of Christ Church that is led by Pastor Sasha Semikov and administered by Sveta Tochkova. The American team joins with Russian trainers (with the help of interpreters) to equip other Russian pastors and lay leaders to train and equip their own congregations.

This trip will be slightly different as Pastor Len will be working with the Baptist Union in Nizhny to equip 30 of their pastors and about 10 from the pentecostal faith. The Light of Christ Church in Nizhny will also assist with supplying trainers for this clinic.

Marcia Showalter will be visiting children in summer camps, schools, and orphanages during the day while the clinic is being conducted. The American team will be

assisting with their many talents: tag; hop-scotch; balloons, and just loving on the children.

Please pray for the team: Len Showalter, Marcia Showalter, Ruth Showalter, Carll Ashley, Bobby Ashley, Matt Crosson, Shay Trahan, Steve Ettlinger, Kim Vermillion, Beth Whisenant, Pam

Casey, Tina Watson, Pat Pawlowski, Al Kaidor, and Mike Price.

If you desire to assist this year's team, or go with next year's team in 2006, please contact Len Ministries.

The Rector was layman Bill Cook and he was assisted by 44 others from the "outside" and by 27 laymen from the "inside." Together they sang, served cookies, taught, and ministered to 50 inmates. This event was approved by Windel Whithurst, Warden, and the chaplains, Robert Clyatt, Lucky Durand, and Barry Hedrick.

There is an extensive program for continuing discipleship that includes weekly meetings conducted by the prisoners for prisoners that have just completed Kairos. There are also monthly meetings with many of the "outside" ministry team coming back to encourage the prisoners in their new walk with the Lord.

# Chihuahua, Mexico

David Parrish & EE (Evangelism Explosion) Mexico hosted a clinic with the Assembly of God in

THE AMERICAN TEAM

Delicious, about 75 miles south of Chihuahua. The team consisted of (pictured l-r) Heather Vest, Pastor John & Becky McCrummen, Debbie Bengtson, David Parrish, Scott Golden, and Rev. Len Showalter. They

had arrived in Chihuahua, Mexico by Sunday, April 3rd. EE Mexico had the main responsibility for the teaching of the clinic. Our team was responsible for the on-the-job training, which involves home and street witnessing.

The team drove down on Sunday evening after a great church service in Chihuahua. Jehu was our driver, team interpreter, and host. The area is mostly dry and hot with only 0 to 5% humidity. Delicious is known as an agricultural city that grows peppers (of course), pecans, green onions, cotton, and wheat. It is able to do so because of

an earthen dam that allocates water into the farming area.

Monday brought the start of the clinic and the arrival of the 12 pastors and 7 lay leaders. The clinic was held at an

Assembly of God church that is named John 3:16. The team prayed during the registration process. Then as the clinic continued, the team did a little street witnessing, as they visited the town center, a baseball park, and the dam.

On Tuesday the team visited the Good Samaritan retirement home. It is partly funded by the state, but mostly funded through private donations and was associated with a local church. All the team participated with the sharing of the Gospel with the results of 12 of the women (including several of the workers) receiving the gift of

ANXIOUS TO BE SAVED!

Eternal life. Tuesday brought the first night of OJT. It was wonderful with the team demonstrating the proper techniques to the pastors. Len shared with four young people (with-

out the aid of an interpreter) and two got saved.

Wednesday was very similar to Tuesday with the team revisiting the retirement home, but this time sharing with the men there. Eight of them received Jesus! One was over 100 years old! The second night of OJT went well with the trainers sharing the entire presentation and the pastors observing. With the help of Jehu, the interpreter, Len shared with a mother and daughter coming out of a medical clinic and the mother received Christ.

DELICIOUS EE CLINIC

Thursday was a bit different, especially with the OJT. The pastors had to do all the sharing in the homes or in the streets. The team was to evaluate the pastor's progress and assist them as necessary. This night brought the most people into the kingdom of God of all the nights. Len shared with a family of seven and one

neighbor boy. The grandmother, mother, her sister, and their children, and grandchildren all got saved. Afterwards Len prayed for Donnie who is sick with cancer, believing God for him to be healed. There was quite a celebration upon the return to the church. The team was blessed to be entertained by a Mariachi band upon returning to the church!

DONNIE AND FAMILY W/LEN

Friday was the final exam day for the attendees. After several hours the results were in that all 19 had passed and were equipped to begin training their congregations to do the same. Additionally, there were 123 professions/assurances of faith in the three nights of visitation.

After a time of shopping and enjoying the Mexican culture on Friday afternoon the team returned to Chihuahua, and they all returned home on Saturday, excited and ready for the next adventure.
