Mityana, Uganda

MITYANA: On Thursday, September 22, Carla Bitancor, Len and Marcia Showalter left Jacksonville, FL, headed for Entebbe, Uganda. After 32 hours of traveling they arrived very late and needed Saturday to recover. Pastor Guy Landry from Ivanovo, Russia, and Daniele Yetna from Douala, Cameroon, also arrived on Saturday. The ministry team was met by Pastor Robert and Ester Mponye of Lifehouse Community Church and King's Kid Ministry International.

Pastor Guy preached at another church on Sunday while Len and the team ministered at Robert's church. There were many salvations and many inspired to "go" to the lost including their own families.

The evangelism training began on Monday. There were 29 students that included pastors and lay leaders from 8 different churches spread across Uganda. Tuesday, Wednesday, Thursday, and Friday the students went to homes and to the streets to witness after a series of teachings each day. Initially, there were 7 teams, until Thursday when the students were comfortable applying the material being taught. Then, the students were divided up into 15 teams with the trainers still maintaining responsibility of the students while they were witnessing.

The results were amazing with better than 80% of the people that were approached giving their hearts to Jesus Christ! (See "Just the Facts" on page 4.) Mityana is a village of 40,000 people about 2 hours outside Kampala. With just over 900 people (2.25%) professing Christ in 7 days, we can truly say that revival has come to Mityana!

Praise the Lord!

The Children

MITYANA, UGANDA: On Tuesday, September 27, while Rev. Len Showalter conducted classes at Lifehouse Community Church (see article on page 2), Pastor Guy Landry, Daniele Yetna, Carla Bitancor, and Marcia Showalter went to the Kings' Kid School which is located on the same grounds as the church.

The team told various stories about their lives and their countries: USA, Russia, and Cameroon. Next, they shared the Gospel with two different age groups of children. The first group was the older children. There were 96 children and 30 of them raised their hands to pray the prayer of salvation. Afterwards, Pastor Guy taught the children some Russian words. The team then shared with the younger children. There were 105 children and most of them prayed to receive Jesus in their hearts!

Wednesday morning, September 28, the team was joined by Len Showalter. They went to Future Vision Junior School that is a private school with mostly children from Muslim families. Barbara, the administrator, attends Lifehouse Community Church. She encouraged the team to talk about themselves and share the Gospel. All the children were gathered into one small room. It was so crowded that one partition of the wall fell down accommodating the entire group. There were 330 children and about 250 of them prayed to receive Jesus. Pastor Guy taught the children how to say "goodbye" in Russian and how to do a Russian Cossack dance. The children loved it!

A Note From Robert...

Here is an email from Pastor Robert Mponye, Lifehouse Community Church and King's Kid Ministries International in Mityana, Uganda. (I asked him to tell us about his Sunday service that was held after we had left.):

"Our Sunday service was great Pastor Len! We had another 50+ receiving their assurance of salvation! We had over a dozen people receiving the free gift of eternal life for the first time!"

We had maybe 8 people from the neighborhood who had received the free gift of eternal [life] during the week of outreach. Juanita was one of them. Lilian should be ready this week [to start] her home group!

The trainers/teachers gave testimonies of how this training has transformed their lives. They are busy telling the good news to their communities. They have started their mission of enlisting their [students]. I will hear more from them on [next] Sunday. They are excited!!

I will be giving you more details as they unfold. I will work on the short video too, this week, and send it to you.

Thank you again my friend to helping us reignite the fires of revival....

Love to Marcia and Carla."

Shalom, Robert & Ester Mponye
