# We Must Tell Them

But when He saw the multitudes, He was moved with compassion for them, because they were weary and scattered, like sheep having no shepherd. Then He said to His disciples, **"The harvest truly is plentiful, but the laborers are few. Therefore pray the Lord of the harvest to send out laborers into His harvest."** Matthew 9:36-38 (NKJV)

The season that we are in is amazing. We are seeing more people giving their hearts to the Lord Jesus as compared to prior years. We know that God is doing something. People are more interested in hearing the Good News and are even approaching us as we go out.

In September Len Ministries was in Lira, Uganda (see pg. 2). Team members came from five different cities in four different nations to help teach in a local church in Lira. 763 people were contacted and 560 names were written in Heaven! Three out of every four persons contacted chose Him!

We need to realize that indeed that they are waiting for someone to come and tell them about Jesus.

What is missing are those that will go. And most often people do not go because they feel inadequately trained and fearful of rejection. We can help you become powerful witnesses for the Lord.

LMI is offering a five-day (9am-6pm) intensive evangelism equipping and training class February 16-20, 2026, at Adamec's Harley-Davidson, 8909 Baymeadows Rd, Jacksonville, FL. There is a registration fee, and scholarships are available. The design of the class is to certify the graduate to teach evangelism in their local church and go

to people around the world. Contact us, or go online and register! Come and learn how to become a soul-winner for Jesus!

# Uganda

**[LIRA, UGANDA]** Pastor Len left Jacksonville, FL, on a set of 30-hour flights on Thursday, September 11, headed to Boston, then to Amsterdam, and ended up in Kampala, Uganda. After a six-hour nap at a hotel in Kampala, Len met up with Daniele and team (pic below right). The ten-man team headed north in a rented van for Lira, a city of 245,000 on Saturday, 9/13. After a six-hour drive, they arrived and checked into a newly built hotel. The manager, Isaac, was very receptive to the team and to the Gospel. Unfortunately, there was no internet and the electricity in the city was off for the next three days. Wednesday morning the team changed hotels. The second hotel had a backup generator and internet.

The five-day evangelism training started on Monday and went through Friday at the Essence of Christ Church. Each day consisted of about six-hours of lectures and two-hours of witnessing on the streets. The teams typically consisted of one trainer and two or three students. Interpreters were not much of an issue as the people spoke English, although the dialect was a little hard to understand. Each night the 34 students had memorization to accomplish in preparation for the next day. By the fourth day the students were to have the presentation fully memorized, but some were not prepared for such work and dropped out of the class. On the fifth day the remaining 31 students took an oral and written exam where 15 passed.

Several witnessing highlights were: 22 homeless boys received salvation; 17 neighborhood children received a meal and Jesus; 117 school children and teachers came to the church, heard Daniele present the Gospel, and 112 prayed to receive Christ; two children who killed a snake trapped in a latrine trusted in Christ. *(Just ask Len to share these stories and pictures with you.)*

Through Friday the class had shared the Gospel 260 times to 763 people with 560 professions of faith/assurances! (See "Just the Facts" on pg. 4.)

Saturday, the team returned to Kampala, and Len headed back to the USA.

# LMI Gala

**[JACKSONVILLE, FL]** Ninety-eight people came together at the Salem Centre in Jacksonville, FL, on Saturday evening, November 8, to celebrate all of the ministry efforts conducted by Len Ministries in 2025. There were testimonies and pictures from the USA, Armenia, Honduras, and Uganda. Billy Smart (GrillBilly BBQ & Catering) served the meal of delicious BBQ and banana pudding, and kept a station full of appetizers well stocked. During the meal time short videos of the various trips were shown detailing the 2025 ministry in five cities where 40 persons were trained and more than 828 were saved! (See "Just the Facts" on pg. 4.) Pictures were also mounted on the walls detailing some of the witnessing events.

Mike Toenies opened the night and introduced Melissa Liley and Lisa Simpson who shared about their trip to San Pedro Sula, Honduras. Pastor Michael Nelson opened the night with prayer. Next Scott Russi held a drawing and gave

away a special prize of a travel suitcase and \$250 certificate towards a 2026 international trip with LMI to the winner, Sandra Love (pictured on Pg. 1).

Closing the meal time Cathy Russi played her guitar and sang a song about "Hope" that everyone enjoyed. Joe Hayworth, chairman of the LMI Board, followed and acknowledged various attendees: military, pastors, and the LMI board. Next he introduced semi-retired businessman Doug Drelich who shared how his life has been wonderfully impacted as a result of attending the five-day evangelism classes in Jacksonville. Dan Houser followed (pictured on Pg. 1). He explained the Kairos prison ministry and LMI's involvement with the inmates.

Len Showalter took the stage and introduced Bishop Guy Landry and his wife, Galina, from Russia. After Galina briefly spoke, Guy delivered the main address exhorting all on Psalms 2. He informed everyone that the word "blessed" is "blazhen" in the Russian Bible. This implies an effort, work, or pressing into in order fully accomplish all that God has for us. He contrasted David and Solomon as an example.

Lastly, Beth Toenies closed the evening with a video of the ministry in Uganda and a testimony by Charles Obote, a businessman in Lira. Next, she asked all to participate financially to enable the ministry to continue impacting others around the world. Then she closed the evening in prayer.

## A Note From Marcia...

As you have just read, this ministry continues to train others to become Soul-Winners for Jesus Christ. We thank you for making an impact locally as well as making a difference in the lives of others all over the world! Your prayers and financial gifts make all this possible.

For those of you that were unable to attend the Gala in November in person or online, you can watch it on the YouTube link listed on page 3. Revival is taking place all over the world!

On a more personal note, we had our family together at our house for Thanksgiving! I cherished having the house full of our kids, their spouses, and grandkids. We were and are truly blessed.

Some of you might not be aware of Len's medical challenges. He was diagnosed in January with Myasthenia gravis, and his injections began to restore his single vision in September. He was able to travel internationally, but he returned home from Uganda in poor health. His blood work was not good in many areas - he was seriously dehydrated and was having chest pains. After several doctor appointments and changes in medications, Len is better, but will be under the doctors' care for a

while. The Lord is not done with Len - he has much to do and be about our Father's business! Please keep him and us in your prayers.

Our hope and prayer for you is that you have a wonderful Christ-filled Christmas and that the year ahead will provide you with a deeper relationship with God and a heart filled with love, joy, good health, prosperity, and opportunities to tell others about our wonderful Savior!

**Merry Christmas,**

Your Missionaries,

Len and Marcia
