His Witness

"But ye shall receive power, when the Holy Spirit is come upon you: and ye shall be my witnesses both in Jerusalem, and in all Judaea and Samaria, and unto the uttermost part of the earth." Act 1:8 (ASV)

Everyone is a witness. We all testify of our lives every day positively or negatively. Our lives are played out in front of those around us. The question is what kind of witness are we?

The Holy Spirit was given to us ten days after Jesus's Ascension to Father God. We celebrate this day known as Pentecost. When the Holy Spirit was poured out upon us as predicted in the Book of Joel, we received power. Power to be His witnesses. His witnesses in our city (Jerusalem), our nation (Judaea), surrounding nation (Samaria), and to the rest of the world (uttermost part of the earth).

This power enables us to "Go." It is boldness to go despite the circumstances: physical, financial, or otherwise. This is the model that Jesus did Himself to show us the way. He went to where the "lost" lived and He empowered us despite our limitations to do the same. Those that do not have the Gospel are the ones that need to hear.

Beginning this month, Len Ministries will be returning to Russia to train in two different churches. Bishop Guy Landry and those trained in the past will assist in the equipping of these new churches. In July we will be going to

Siguatepeque, Honduras. In September we are scheduled to go to Matugga, Uganda and then Mwanza, Tanzania. After that we will finish with a trip to Madrid, Spain, in October.

Uttermost part of the earth!

There is much that is accomplished on a short-term mission trip. Yes, the equipping of the local church to do evangelism and win their city for Christ. But also, much is done in the community with working with local schools, orphanages, hospitals, or rehab centers as permitted. The team will stay in local housing when available or in a hotel. Transportation and food for all those involved is also required.

In order to accomplish the above international training events **you** are needed. Those to whom we will minister need prayer. **Will you pray?** Len Ministries and those traveling need your help in going financial-

ly. **Will you give?** The training will require trainers to help equip the students especially in the new cities and new nations. **Will you go?**
Will you be His witness?

Len Ministries is ready. Are you? For more information please contact us.

Kairos #90

[RAIFORD, FL] The extended weekend event called Kairos #90 was held at Union Correctional Institution (UCI) in Raiford, FL. Rev. Len Showalter and 25 other men from the “outside” went into the prison to minister to 30 inmates on March 23 - 26. Eight additional inmates assisted with logistical functions as well as being prayer partners for the entire weekend. As noted this was Kairos #90 which means that this was the 90th event that has been held at UCI. As a matter of fact, UCI held the very first Kairos of their worldwide ministry!

Carty Seay was the leader for the weekend. The outside team would return to their homes at night or stay at the Budget Six in Starke. The team was inside ministering from 7am to 7pm Friday and Saturday with Thursday and Sunday being half days inside. They sat, ate, talked, and ministered to the inmates continuously for those four days.

One of the inmates that Len shared with had just been released from 6 1/2 years of solitary confinement! He gave his heart to Jesus that weekend as well as another seven men. The ministry continues with monthly reunions on the fourth Saturday of each month with an effort to continue the discipleship of the inmates. The next Kairos weekend is scheduled for September 21 - 24, 2023. If you want to be a part? Contact Fred Hillerich who is the leader for Kairos #91 at spotticu@comcast.net, or contact Len Showalter at Len@LenMinistries.org.

Union Correctional

[RAIFORD, FL] Len Ministries continues to equip inmates at Union Correctional Institution (UCI) on Wednesdays. The current class is structured to be three months in length, but due to normal prison operations/interruptions the class can take twice that amount of time. Len Showalter and Tony Cozier have been conducting the evangelism class for more than ten years under the blessing of Chaplain Henkle.

Inmate leadership of the evangelism class has been developed in the last several years. The class is typically taught by “Gil” and “Rico” opens with praise and worship. Several other men have been faithful trainers consistently over the same time. Students are enlisted several times during each year with four students attending the current session. They continue their study and application of sharing the Gospel on the yard with the aid of the inmate trainers.

Union Correctional Institution

UCI Work Camp

[RAIFORD, FL] Union Correctional Institution gained control of a Work Camp (WC) that had been under leadership of New River Institution approximately six months ago. Assistant Chaplain Scott Schwarzrock of UCI approached Len Showalter about the need of ministry to the approximate 400 inmates that are housed there. It is a younger group of men that are physically able to do outside grounds maintenance, but have had no spiritual oversight.

Pray for multiplication

The effort to bring Jesus to the campus started with an Easter service (see below). Then Carty Seay (see “Kairos #90” on pg 2) began coordinating various men out of the Kairos group to conduct a regular Sunday service for the inmates from 6pm to 7:30pm. This time was chosen due to the use of the Visitor Center being open and at the finish of the normal evening meal.

On Wednesday, May 3, Len held the first evangelism class from 6pm to 7:30pm with 16 inmates present. The class was held in the Library, but if more attend the class will be moved to the Visitor Center. The initial evangelism classes will be structured into a six week “Short Course” format. Len with Tony Cozier assisting will teach the students how to share their faith with each other and then with others on the campus and with their family members.

Please be praying that this shorter format will be received well and a leadership team will be raised up to assist with the equipping more of the men at WC. **LMI**

UCI Work Camp

Easter Sunset Service

[RAIFORD, FL] Len Showalter was asked to preach an Easter service at the UCI Work Camp (WC). (See “UCI Work Camp” above.) The service was to be held at the Visitor Center from 6pm to 7:30pm on Sunday, April 9, 2023. As this was the first event to be held at the WC there was much paper work approval that Chaplain Scott had to complete and get the necessary approvals. The ministering team was comprised of: Scott and Cathy Russi, who led praise and worship; Len and Marcia Showalter.

Easter Sunset Service

The inmates arrived promptly at 6PM and Cathy led the 37 inmates in hymns and contemporary praise and worship music. One of the inmates was musically talented and was allowed to lead one song by himself which he did excellently.

Len shared a word about Jesus not being in the grave and not being in the tomb, but can now be in a person’s heart. After sharing a Gospel message, Len had all pray a “sinner’s prayer.” There was some rejoicing!

Next the team handed out individual servings of the communion elements. Len prayed over the process and all took communion.

At the end of the evening, several officers entered the visitor center and escorted the inmates back to their respective dorms. It was a great night. And all were hopeful that this was the start to much more ministry on the WC campus.

A Note From Marcia...

This summer will be a busy time for us and the ministry. There are international trips scheduled. It is the end of the second quarter of 2023 – where does the time go? It is time to begin to finalize the details of the LMI Gala on November 4. We’re trying to coordinate schedules to visit our family in California.

It is during these “busy” times that prayer is so important: missions, marriages, relationships, finances, health issues, governments here and abroad, wars and rumors of wars, important decisions to be made, etc. All of us have things in our lives that leave us unsettling from time to time. We all need to pray.

What does Jesus say about prayer? (Matthew 6:5-15) Jesus taught, **“And when you pray, you are not to be as the hypocrites; for they love to stand and pray in the synagogues and on the street corners, in order to be seen by men. Truly I say to you, they have their reward in full. But you, when you pray, go into your inner room, and when you have shut your door, pray to your Father who is in secret, and your Father who sees in secret will repay you...”** (NAS)

What does the Apostle Paul tell us about prayer? (I Timothy 2:1-8) Paul tells us, “First of all, then, I urge that entreaties and prayers, petitions and thanksgivings be made on behalf of all men....” (NAS)

Thank you for continuing to pray for Len Ministries and for us personally during this busy season. You and your prayers are very important to us and greatly appreciated.

We enjoy praying for you, too. Just contact us and we will stand with you concerning your prayer request.

Your Missionaries,
Len and Marcia Showalter
