Why Evangelism?

"But you shall receive power when the Holy Spirit has come upon you; and you shall be witnesses to Me in Jerusalem, and in all Judea and Samaria, and to the end of the earth." The Acts of the Apostles 1:8 (NKJV)

In each of the four Gospel Jesus commands us to take His Good News unto the world. He even gives us power to go as referenced in the verse listed above. He tells us to go, gives us power to go, and yet we do not go.

We will send missionaries, but we do not go. We expect the pastor to go, but not us. We go to work, the grocery store, the gym, and even church, but are we really "going?" Indeed, we are busy people. We have much to do. But are we doing what Jesus wants us to do?

Jesus wants us to "go," but He wants us to do something when we go - to tell others. It is easy not to do what He wants. It is difficult sometimes to speak to those that we do know.

When was the last time that you spoke to your neighbor? We have fences just to keep people out of our yards and to keep them out of our lives. We will not go into the next yard, why would we consider going into the next city, state, or nation?

We are missing something very important. Why does the Word of God tell us to "go?"

It is to help us get out of ourselves and our routines. To see others that are around us that need to have the free gift of Eternal Life. They need it! We need it! As we share we get reminded of the great things that God has done for us!

Can you remember the first time when someone spoke to you about Jesus? Was it in your home? on the street? in a meeting? That person gave of himself just to help you to be able to be with Jesus in Heaven some day.

Jesus did the same for us as He went to the Cross to make a way for us to be with Him. He sent the Holy Spirit to empower us to tell others His Good News. It is not hard to go, we just have to get out of our "Lazy Boy" chair and go. People are waiting for someone to come and bring the Good News to them.

Your neighbor is waiting, the clerk is waiting, the office is waiting, the world is waiting. Why evangelism? *Because the Lord said so.*

Contact us to help equip you and your church to "go." We are ready are you?

Mission Trips

[JACKSONVILLE, FL] Why evangelism and why mission trips? The answer to both of these questions is quite similar. We are called to take the Good News of Jesus Christ to people. People of our neighborhood, our city, our state, our country, and to other countries. Acts 1:8 tells us that we are to go to Jerusalem, Judea, Samaria, and to the end of the earth.

A mission trip is more than just going. Many times people will go on a “mission” trip and report back that they dug a well, or painted a wall in a church, or helped people medically. These are all good things and may even help eliminate some human suffering. But they should more correctly say that they went on a humanitarian trip, not a mission trip. Humanitarian trips are much needed and can make a huge difference in a culture, but according to the Bible a mission trip involves the sharing of the Gospel.

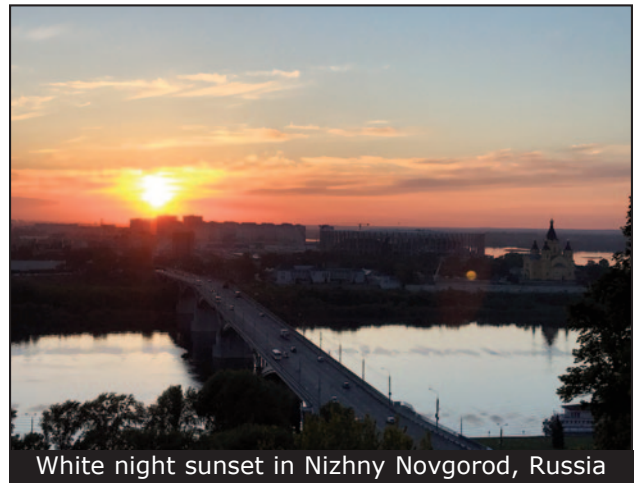

Len Ministries offers mission trips where the Gospel is not only shared but is taught in the destination city. We work with the local church and they host a five-day equipping clinic. The LMI traveling team teaches and leads the training process in the church and in the streets. The goal is for the equipped church to continue doing evangelism in their city after the LMI team has left and returned home.

During a LMI mission trip, the team will visit orphanages, schools, hospitals, nursing homes, rehabilitation centers, etc. as permitted. The team always loves this process as it is another opportunity to share the Gospel and reach an additional group for the Kingdom of God. Team members will visit places and see things that they had not seen before. (Note the unique pictures on this page.) It will be an adventure from the Lord that will not be forgotten.

Please contact us at Len Ministries at (904) 535-4658 if you would like to join us in going. We would be glad to answer any question and assist you or your church to prepare for a successful summer mission trip. **LMI**

LMI in Cameroon

[DOUALA, CAMEROON] Rev. Daniele Yetna, Len Ministries Director for Africa, held an International Evangelism School consisting of five-days of lectures and practicums. from April 13- 18, 2026.

Here is Daniele's report:

Shalom to our valued partners,

We are very proud and encouraged to share the Evangelism Explosion Training Detailed Report held from 13 to 18 April 2026 in Nyalla a neighborhood located in the outskirts of the economic capital city Douala Cameroon. The training took place more precisely at the Word of Truth Ministries, a congregation managed by Apostle Biagoup Hervé Rodrigue. (pictured below)

At the end of the five days of intensive training, the Gospel was shared 25 times to 48 people, with 23 assurances, 15 professions of faith in Jesus. Ten people did not make a decision for Christ. We continue to follow-up with those contacted as we trust God for the advancement of His kingdom.

- KEY TESTIMONIALS BY STUDENTS -

1. Trainee Sévérine: "I was afraid to speak. On Day 5, I presented the Gospel to a mother at the market. She wept and gave her life to Jesus. I understood Isaiah 55:11."

2. Trainee Japhet: "The two-question method opens all doors. People want to talk about eternity. I shared the Gospel with three colleagues"

A Note From Marcia...

We are thankful for all that the Lord is doing amid our circumstances. (1 Thessalonians 5:18 "Give thanks in all circumstances; for this is God's will for you in Christ Jesus.") This emphasizes that gratitude is not situational but a continual practice in alignment with God's will.

On a more personal note - We have had some health challenges this year. Getting older has its advantages and disadvantages. Len came through heart surgery in February and continues to believe God to be healed from double vision from Myasthenia gravis. Please continue to keep him in your prayers.

We are planning on a road trip to visit Ruth and family as well as Sara and Daryl later this month. Also on our radar is a visit to the Ark Encounter and Creation Museum in Kentucky.

Thank you for your love and support as this ministry continues to raise up Soul-Winners for Jesus Christ here in the Jacksonville, FL area and around the world. For information on international trips, please go to the LMI website:
