Enter In!

"His lord said to him, 'Well done, good and faithful servant; you were faithful over a few things, I will make you ruler over many things. Enter into the joy of your lord.' " Matt 25:21 (NKJV)

The story in Matthew 25 of the Lord giving to His servants certain talents where upon they were to go and multiply the talents is also repeated in Luke 19 where the servants were given minas. The three servants were met again later by the Lord to see how profitable they were in the multiplication of the talents or minas. Those that brought a return on the "investment" entrusted to them were greeted warmly and honored for their faithful work. The slothful servant failed to bring any kind of a return to the Lord and he was greeted harshly.

Obviously, the Lord wants us to bring to Him a return of His investment in us. This story always gets me "fired" up to bring Him the most fruit that I can.

The question might be what kind of fruit does He want?

The Lord does not need material things. I believe what

He wants is for us to multiply into others and grow the Kingdom of Heaven on earth - grow His Church.

From its inception, Len Ministries has been about winning souls and training others to be soul winners. Since 1996 we have participated in more than 25,000 professions and assurances of faith in Jesus. And we have equipped more than 2,000 to be soul winners and to assist in training others in 25 nations. (For the results of 2023, see "2023 Totals Just the Facts" on pg. 4.)

We want as many as possible of His servants hear Him say "Well done, good and faithful servant. Enter into the joy of your Lord!" *Come. Be trained. Change your world. They are waiting!*

Union Correctional

[RAIFORD, FL] Tony Cozier and Len Showalter have been teaching evangelism at the main campus at Union Correctional Institution (UCI) for more than ten years. In 2023, they were invited to also each evangelism at the Work Camp (WC) located next door to the main campus. At the end of December, both campuses completed regular 13-week evangelism classes and six-week short courses. There were six graduates of the full class and nine graduates of the short course at the WC and two graduates of the short course at the main campus. At least 60 men received Jesus as Lord at both campuses during the various classes. (See pg. 4 - "2023 Totals Just The Facts")

With permission gained, Len Ministries held a graduation ceremony with pizza at the WC. The below pre-approved pictures shows the six men that took the final exam and passed with excellent grades. Since that date, one graduate has been relocated to a work release program and the remaining five are assisting Len in a second 13-week class at the WC with six new students. Tony continues to teach inmates that randomly attend the class each week. He is using a "short course" set of material as well as some discipleship material that he has developed. This same process is also being used at the main campus at UCI in 2024.

Much thanks is to be given to the Chaplains at UCI that coordinate the volunteer work and track the progress of the inmates.

Jacksonville, FL

[JACKSONVILLE, FL] Rev. Len Showalter held an International Evangelism Class at Adamec's Harley-Davidson, 8909 Baymeadows Rd, Jacksonville, from February 19 to 23, 2024. The daily class schedule consisted of about four hours of lectures, two hours of practicum of witnessing, and a final hour of discussion. Although the day is intensive the students are equipped to implement an evangelism ministry in their own church upon graduation.

A Catholic receives Jesus

This year the class was comprised of four students: Danny and Bailey Smith, Roxanne Cumberbatch, and Vitor Vas de Pinho. Len Showalter was the master clinic teacher assisted by two assistant clinic teachers: Rev. Al Kaidor and Dwight Preheim. Also joining the class for the five days was trainer Lisa Simpson. Trainer Jennifer Palmer assisted on one of the practicum. All of the students and trainers were welcomed by Adamec's Harley Davidson staff.

Each day was filled with much work on the students part. In addition to the note taking during the various lectures, time was given for them to practice their memorization with each other. Witnessing was accomplished at The Avenues Mall and at a local Dunkin' Donuts. On Thursday, time was given to pray for the students and to be anointed to do the work of an evangelist. The prayer time extended when two local missionaries Ken Vensel (CRU) and Dot Horstman (Children's EE) joined the class for lunch and also prayed for the students.

Graduation on Friday was held at Taco Lu at Jacksonville Beach. Several LMI Board members and The Showalters' Home Bible Study (total of 26 persons) came to share in the celebration. All four students graduated! Student Danny Smith was recognized for his exceptional perfect grades on the final exams. The witnessing results from the week were: 78 people were contacted; the Gospel was shared 35 times to 52 people; and 39 people gave their hearts to Christ (including the waiter at Taco Lu)!

Also certified were Al Kaidor and Dwight Preheim as Clinic Administrator/Teachers. Both have worked with Len Ministries many years and have demonstrated their dedication and faithfulness unto the Lord Jesus and to this ministry. Plans are already in place for this training next year for February 17 - 21, 2024. **LMI**

A Note From Marcia...

This year (2024) began with challenges for many. It might have begun with illness, financial problems, death of a loved one, family issues, loneliness, or depression. The cure for all these situations is ... Jesus.

pray to me, and I will listen to you. You will seek me and find me when you seek me with all your heart." Jeremiah 29:11-13 (NIV)

"Because of the LORD's great love we are not consumed, for his compassions never fail. They are new every morning; great is your faithfulness." Lamentations 3:22-23 (NIV)

As you have read in this newsletter, God is using this ministry to move through many other ministries, people, and places. This is because of your faithfulness and commitment to us, the ministry, our family, and the Kingdom! May you be blessed abundantly as you continue to make an impact...
..Leading others to Jesus Christ...
..And raising up Soul-Winners for Him!

Family is so important. My heart is full of gratefulness that we have able to spend time with our children and grandchildren in the Jacksonville area. My heart does ache though as we haven't been able to spend as much time with our out-of-state children and grandchildren. I'm sure the situation is the same for many. We have a loving God, and His mercies are new each morning. We have hope in all things as promised by Him.
