Preach the Gospel

"And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come." Matthew 24:14 (KJV)

2026 is Len Ministries' 30th year of taking the "Good News" to the nations of the world. Through 2025, we have taken the Gospel into: Argentina, Bahamas, Bolivia, Burkina Faso, Cameroon, Costa Rica, DR Congo, Ecuador, El Salvador, Equatorial Guinea, Fiji, Ghana, Guatemala, Honduras, India, Kenya, Mexico, Mongolia, Peru, Philippines, Rwanda, Russia, Tanzania, Uganda, USA, and US Virgin Islands. If the Lord makes a way in 2026, we will be going into Togo for the first time.

We have been to 26 nations, many of them multiple times. We have seen more than 27,000 people profess Christ. As noted above, in

2025 almost three-quarters of the people that listened to the Good News professed Christ or made an assurance of their faith in Him. (This is quite an increase over the average of the prior years.) It may be that we are on the doorstep of revival across this world and then see the Lord's return!

Will you help us to continue this "going?" Len Ministries is believing God to teach in four nations this year. You are needed. Will you pray for revival? Will you go with us? (See pg. 2, "Mission Trips.") Will you help us go? Will you be a part of changing this world for Him?

2026 Mission Trips

[JACKSONVILLE, FL] With the summer approaching many churches want to know about mission trips. Len Ministries is offering short term mission trips to several common places and one that is not so common.

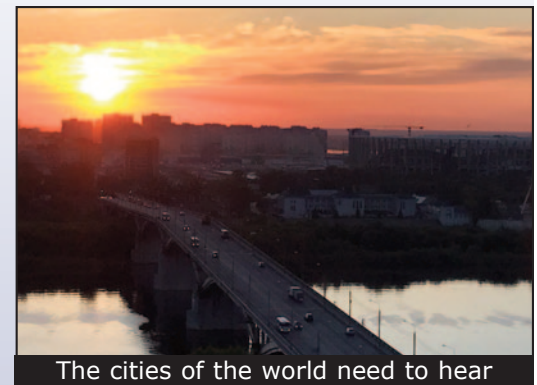

The first place is one that is relatively easy as it is close by - Honduras. It is only a three hour plane ride out of Atlanta, Ga. Currently, we are headed to San Pedro Sula, but that could change as Lidia Dole continues to look for a new area to serve. This trip is scheduled for eight days (Saturday to Saturday, July 26 to August 1). We will be teaching a five day International Evangelism School. The base language is Spanish but many speak English. Interpreters will be provided for each traveler that needs help. The people are sweet and like Americans. (Remember, they are Americans, too!) Most are Catholics, but do not trust Jesus as Lord and Savior. Our planned trip cost is \$2,450 per person which includes room (maybe a/c), food, transportation, and interpreter.

Our second trip is the not so common one. It is to Russia (if it has settled down) and will be held in the Russian language. We will be going to Nizhny Novgorod to celebrate with the Light of Christ Church and Pastor Sasha Semikov and church family. It has been five years since Len visited with them and it will have been 35 years since Len Showalter and team planted his church! This will be the weekend of August 30 and then we will be headed to Ivanovo with Bishop Guy Landry. We will be hosting a five day International Evangelism School ending on September 4 and returning home the next day. Estimated cost per person is \$4,900 for the combined trip.

The third trip will be to a new country, Togo, and we will be in its capital, Logo. The trip will be from September 18 - 26. Our estimated cost is \$4,250 per person. This is a French speaking nation and Daniele Yetna will be our host making all of our arrangements. Again, we will be teaching a five day evangelism class. There are a lot of unknowns in going to a new area, but we have done it before. Great trip for the more adventurist traveler as you will need to trust God, but it will be fun seeing Him work out all the necessary detail!

Please contact Len at Len Ministries at (904) 535-4658 if you are considering going as pre-trip preparation (invitations, VISA's, etc.) may necessary for each of these trips. We will be glad to answer any questions and assist you and your church to prepare for a successful summer mission trip.

LMI

2T22

Jacksonville, FL

[JACKSONVILLE, FL] Len Ministries held an International Evangelism School consisting of five days of lectures and practicums from February 16 to 20, 2026. The classes were held at Adamec’s Harley-Davidson, 8909 Baymeadows Rd, Jacksonville, FL. The lectures started at 9am each day and concluded about 3pm. Following the lecture the class headed to the Avenues Mall for witnessing opportunities until 5pm. And after a small recap time, all were released to return home to study for the next day’s lecture.

Originally there were five students enrolled, but due to sickness the two students coming from North Carolina canceled at the last moment, and two others could not get their schedules cleared to attend. That left one student, Mary Coleman, from Christ Resurrection Power Assembly in Jacksonville, FL. Her pastor, Clarence Fuller, was equipped at the International Evangelism School in 2025 and he recommended that she take the course, too. If you have ever wondered if you could successfully take this intensive class, consider Mary: she is eighty-four years old, she has twelve children, forty grandchildren, and fifteen great-grandchildren! And she passed!

Assisting Len Showalter with the teaching were Doug Drelich from New Life Church in Jacksonville, and Al Kaidor and Danny Smith from ARK Evangelistic Association in St. Augustine, FL, and Rick Wyman from Lake Asbury Baptist Church in Green Cove Springs, FL. In addition to assisting with the daily teaching, these faithful servants helped coordinate the schedules, keep the supplies and food coming, and rotated with taking Mary on the visitation effort at the Mall. At the end of each day they had many exciting stories to tell of God’s faithfulness in witnessing to others.

The teams met at the Food Court at the mall Tuesday through Friday (Monday was filled with lectures). This was a great indoor venue offsetting the weather during the day. Most of the witnessing contacts were made in the Food Court area, but some were in the various stores and kiosks. On the first day the teams arrived and were met by a lady that had found an abandoned

baby squirrel (pictured on right). This turned out to be a great opportunity to witness as the small squirrel touched many people’s hearts. A service worker (also pictured on the right) ended up taking the squirrel home.

By Friday the Gospel was shared by the class 15 times to 23 people and there were 10 professions of faith in Jesus! 43% of those that heard the Gospel received Christ! The graduation celebration was held at Ceilo Azul Mexican Restaurant at the Avenues Mall. The team enjoyed the atmosphere and began practicing thier Spanish for the next LMI short-term mission trip to Honduras slated for July 2026 (see “Calendar” on pg. 4).

A Note From Marcia...

As you have read, LMI continues to raise up Soul-Winners for Jesus Christ so that the Gospel may be effectively shared with others long after we leave. Whether it is a local church or one from another nation, the people we train continue to reach their churches, cities, and nations for Him! We are looking forward to all the Lord is going to do in the months ahead.

We thank you for your continued love, encouragement, financial support, and prayers as we continue to walk through this time of healing. May you be blessed abundantly in all you do in impacting this world for Christ!

Please remember to pray for our International Directors and Ministers as they continue to teach others how to effectively share the Gospel.

Your Missionaries,
Len and Marcia

February has brought some medical challenges for us to walk through, but we know the Great Physician and are grateful for the ones we have here on earth as well. I had pneumonia and Len (who continues full speed ahead with Myasthenia gravis) had heart single bypass surgery at the end of February. We are so blessed to live where we do to receive such great medical care.

We were able to see Sara, Daryl, and Ruth who came to help and care for us during Len's procedure and recovery. Even under these circumstances, it was wonderful having our kids all together. Beth and her family live in Jacksonville and we are grateful they are close by.
