**[CHOLOMA, HONDURAS]** Rick Wyman and Len Showalter boarded a Delta flight to San Pedro Sula (via Atlanta, GA) on Saturday, July 26, 2026. It was an early flight, so they landed around noon. They were met by Hector Rojas and Lidia Dole, LMI Director for Central America. They settled into their hotel rooms and began the preparations for the week long evangelism training held in Choloma, about 30 minutes away. The team would be working with a new church that came from an older church that LMI had trained in 2021. There had been much growth resulting from the training which necessitated in the planting of the newer church. The newer church would be hosting the training at the older and larger church as both were in Choloma. Len and the team ministered in the newer church during their regular Sunday evening service (pictured below right).

The evangelism class started on Monday with 22 students from four different churches. Some of the students were from the older church and had been previously trained with LMI in evangelism which greatly helped with the training of the new students. The typical class went from 8:30 in the morning until 3:30 in the afternoon. At the end of the daily lecture time, the students were divided into teams of two or three. They went to the town square about four blocks away. The days were hot, but shade was available in the square. Witnessing opportunities occurred Tuesday through Friday in the square as it is the cultural and social center of the city.

On Wednesday while the teaching continued, seven of the trainers went to Instituto Maria Montessori, a private school. They divided into three teams so that they could minister in individual classrooms consisting of about 20 kids each. The teams were allotted two hours of the school's schedule to speak in as many classrooms as possible. It was great fun as one team told a story about a farmer who loved his animals and wanted to protect them from a coming storm which was used to bridge into the Gospel. 54 of the 70 high schoolers responded and chose Jesus (Pictured below right)!

Friday, prior to exams, an opportunity was given to the students to witness without any supervision. This blended in perfectly with a student art exhibit at the town square. Many were saved (pictured bottom right) along with the local librarian and a well known local artist, Onan Valle (pictured on left). The evening concluded with a graduation ceremony where 16 students received their certificates as a teacher and trainer. The entire class of students, trainers, and teachers rejoiced greatly as they saw *262 lives saved which was four out of five people* that they had approached!

Rick and Len returned to Jacksonville, FL, on Saturday. They were happy that the total flight time from airport to airport was only six hours. **LMI**

## A Note From Marcia...

What an exciting time we live in! We hope you will be able to join us for LMI's 30-year celebration at the Gala this year. These past 30 years have gone by quickly.

Because of your faithfulness to pray, give, and go with us, tens of thousands have come to Jesus Christ and thousands of Soul-Winners for Him have been raised up all over the world! We will be celebrating with powerful testimonies from our international administrators and the impact this ministry has had in their lives. (See pg 1.)

- Guy Landry (Galina) – Eurasia
- Danielle Yetna – Africa
- Lidia Dole (Hector) – Central America

On a more personal note, Len's health has improved greatly. Although he still has side effects from Myasthenia gravis (MG), it has not slowed him down. We are truly blessed to not only have great medical care around us but know the greatest of all Physicians!

We enjoyed our road trip to visit with our out-of-state family, the Ark of the Covenant, the Bible Museum, SS Edmund Fitzgerald Museum, and Mackinaw Island. Our time ended with spending some time with family in Columbus, Ohio. We are truly blessed!

Thank you for your faithfulness to this ministry and us. May you be blessed abundantly as

we continue to impact this world for Jesus together! For information on international trips, please go to the LMI website: [www.lenministries.org](http://www.lenministries.org).

Your Missionaries,

Len and Marcia (& Medi)
